

To whom it may concern,

My name is Makenna Miller and I am the Membership Vice President for Gamma Phi Beta. We would like to pair up with ACUB to host an in person event. The event would be an outdoor picnic and yard game tournament. The food will all be pre-packaged and store bought. I'm planning on purchasing uncrustable sandwiches, granola bars, chips, etc. People will be allowed to eat at the event as long as they remain socially distant at all times. I'm planning on creating a signup link for students to form teams for the yard games then ACUB will be purchasing prizes for the 1st, 2nd, and 3rd place teams! This event would take place on April 9th, 2021 from 6-8pm in the chapel lawn. To abide by the covid-19 regulations students will be asked to wear their masks at all times, follow the social distancing guidelines, and show their green check marks before they enter. We will take the names of individuals attending at the door for contact tracing purposes. There will be hand sanitizer at the door as well as by the food, and the yard games will be sanitized in between each game. The chairs and blankets sitting out will be socially distant as well. If anyone fails to abide by these rules and regulations they will be asked to leave and risk being reported.

Let me know if you have any questions or concerns!

I look forward to hearing from you soon!
