

Dual Enrollment Day 2021

COVID Response Plan

This plan outlines the process in which Admissions will conduct our Dual Enrollment Day event on campus Tuesday, August 17 2021.

Pre- Event

- Health screenings will be completed upon arrival to campus.
- The total number of guests allowed to visit will be capped at 20 (6 students and up to 2 guests)
- All touch points within meeting room and on tour route will be sanitized.
- Names and updated contact information will be collected for Contact Tracing purposes.

During Event

- Health Screenings will be given day of event before interacting with our campus staff.
- Social distancing and mask protocols are in place.
- Scheduling ensures that only Admissions staff, Admissions student staff, and presenters will interact with the guests.
- The size of guest groups will remain small and manageable for COVID-19 guidelines.
- Limited spaces on campus on campus have been reserved (SAC 113) to ensure guests do not come in direct contact with several different spaces.
- No food experience will be provided.
- The space we will be utilizing will be properly secured for only our staff/students/guests (proper signage and staff members will be present to ensure only the correct people enter the space).
- Tours will be lead with a 3:1 ratio of tour family/tour guide.

After Event

- Space will be disinfected in-between uses and after each event has concluded.
- All touch points on tour route will be sanitized.
