

Barlow Awards for Faculty Excellence

A cash grant (\$1,000) to recognize those individuals among the faculty who have contributed the most, by their work and example, often at personal sacrifice, to furthering the educational mission of Alma College. The *annual award is given to "any faculty member, at any rank, judged to have excelled in teaching; in scholarly, creative or performing work; and in college and community service." (*No one may receive the award more than once in any 5-year period.)
