

# Education Workshops

---

The office provides training to student organizations and college offices/departments/units on a range of topics including unconscious bias, microaggressions, privilege, intersectionality, social identities, and advocacy.

## Diversity Education Workshops

### Safe Zone Training

The goal of Safe Zone training is to educate the campus community and increase awareness of LGBTQ+ identity and issues. To request a training, contact the DEI office.

### Unconscious Bias Training

The purpose of the Unconscious Bias training is to define implicit or unconscious bias and how it shows up in both our verbal and non-verbal communication. To request a training, contact the DEI office.

### Special Topics Request

If you would like the Office of Diversity and Inclusion to develop a special training for your group, contact the DEI office.
