

King-Chávez-Parks First Year Mentor Program

“Mentoring is a brain to pick, an ear to listen, and a push in the right direction.”

—John C. Crosby

Who We Are

Alma’s KCP Mentor Program provides resources for students seeking mentorship in navigating college and all it has to offer: the academic, social, career, and financial aspects. The Alma College KCP Mentor Program is supported in part by the State of Michigan’s KCP Initiative.

Benefits of the KCP Mentor Program

- Successful transition from high school to college.
- Improved academic performance in the classroom.
- Early networking with other students and faculty.
- Overview of potential college obstacles and successful strategies for avoiding/overcoming them.
- Our goal is to help students: increase grade point averages, advance in academic standing, transition to major, and graduate.

Meet the Mentors

The KCP Mentor Program consists of a diverse group of students who have a wealth of knowledge and many different talents. Meet those who define the KCP Mentoring Program and what it means to be a KCP Mentor Program mentor and mentee.
