

## **Financial Obligation Policy**

---

It is the student's responsibility to fulfill their financial obligations by paying their account balance in full or setting up an authorized payment plan by August 1. A payment plan set up with Student Billing becomes "authorized" upon receipt of the August payment. For the winter term, students must pay their account balance in full or continue to have a payment plan in place on December 15.

Any student who hasn't fulfilled this financial obligation will be dropped from classes on the first day of the semester, their housing assignment will be cancelled, and they will not be able to participate in any college sponsored extracurricular activities. Students will also not be allowed to re-enroll or register for future semesters until all current financial obligations are satisfied. Students who are not registered for the next semester, not in good financial standing, or are in a sport that is not currently competing are not eligible to remain in on-campus housing after the last day of final exam week.

The August payment must be made before receiving keys for on-campus housing. Students who cannot move in on their designated date due to nonpayment will have a new date assigned by the Residence Life Office.

Moving into assigned rooms outside a date assigned by Residence Life without approval will incur additional fees.
